## Technical Parameter

Model: S200
Controller: 0V/24G sine wave / start and stop function
Other configurations: heater, fan, reversing image, radio, electric door and window
Size: 2100 x 1420x1500
Motor Model: 60V /1200W/1500W Vector Motor
Battery Specification: 45AH/50AH/68Ah
Rated Passengers:4
Tire Specifications: 4.00-10  Flat tire
Steering form: disc type
Climbing performance: 20%
recharge mileage60
Maximum Speed: 35km/h

Damping system: cantilever damping
