## Package & Shipment

包装: 20' GP 40' GP  
 唛头: ro ro  
 数量: 15 台

## FAQ

Q: 1. How long is the lead time for the container?

A: One month.

Q: 2. What is the standard size of the container? ISO 20' or 40'?

A: Yes, we have 20' and 40' containers available.

Q: 3. How many containers can be loaded on the ship?

A: The maximum number of containers depends on the ship's capacity. We can load up to 15 containers on a 20' ship and up to 30 containers on a 40' ship.

Q: 4. How long is the lead time for the truck?

A: The lead time for the truck depends on the location. RORO (Roll-on/Roll-off) is available for most locations. Pls contact us for more details.

Q: 5. How many containers can be loaded on the truck?

A: Up to 3000 containers.

Q: 6. How long is the lead time for the workshop?

A: The lead time for the workshop depends on the location. ISO CCC BV (International Chamber of Commerce) is available for most locations. Pls contact us for more details. scrutinizing
