 包装尺寸: ro ro

FAQ

Q: 1. How long is the lead time for the container?

A: One month.

Q: 2. What is the standard size of the container? ISO 20' or 40'?

A: Yes, we have 20' and 40' containers available.

Q: 3. How many containers can be loaded on a ship?

A: The number of containers depends on the ship's capacity. We can load up to 15 containers on a 40' ship and up to 30 containers on a 20' ship.

Q: 4. How many containers can be loaded on a truck?

A: We have RORO (Roll-on/Roll-off) containers available. The number of containers depends on the truck's capacity. Pls contact us for more details.

Q: 5. How many containers can be loaded on a ship?

A: Up to 3000 containers.

Q: 6. How many containers can be loaded on a truck?

A: We have workshop containers available. ISO CCC BV containers are available for scrutinizing.
